To whom so ever it may concern

30th Sept 2016

Dear Sir,

Our strategic partnership with Satellite Cargo Connexion in providing cargo & logistics solutions to our company has been a key element in keeping our customers happy as our material are delivered at customer premises on time.

We also wish to state our appreciation for the superior customer service which we have experienced from our day to day dealings with Satellite Cargo Connexion.

We are happy on the service levels maintained by Satellite in delivering our consignments to multiple stations & locations within the country.

We wish to state that Satellite is our trustworthy and reliable partner in carrying consignments over the years.

We would recommend the services of Satellite Cargo Connexion to any company for 3rd party cargo outsourcing services.

Regards,

Manager—Logistics.

Parag C. Nargunde.
